

GATHERING Of WOMEN

OCTOBER 14-16, 2005

12TH CAROLINA
NEAR ASHEVILLE, NC

You are invited to join Wind Daughter for a weekend of prayer, hard work and blissful joy. After three years of being apart we will stand, a clan of women, ready and strong, to once again "Create Sacred Space" and renew our sisterhood.

The weekend will be spent rebuilding our ceremonial grounds, sharing voice with one another, drumming, dancing, singing and laughter. Our labors will be blessed. On Saturday night we will stand upon Mother Earth and beneath Grandmother Moon in appreciation and gratitude for bringing our sisters together again on new land.

CREATING Sacred Space

All women are welcome! As new faces approach from the hill they will be greeted with open arms and open hearts and met with encouragement to join in the celebration of renewal and reclamation of our "Sacred Space."

Ancestral Altar

The season of Fall is the time to begin our inward journey of introspection. Together we will create an ancestral altar from the bounty of autumn. We will call upon the Ancient Ones, Our Ancestors, for Vision and Help as we Open the Gateway to communications.

Each woman will bring a pumpkin and carve it to create a lighted place for our ancestors to visit us.

Wind Daughter is the adopted daughter of Bear Heart, Keeper of the Sacred Beta Star Bundle and Caretaker of the Black Lodge. Her teachings are mostly experiential and her gift of song helps people connect with all their relations. In 1992, Wind Daughter founded West Winds, a spiritual and educational center for people seeking safety of religious expression and a connectedness to Mother Earth. She serves as Director of West Winds and is the Medicine Chief of the Bear Tribe, an organization founded by the late Sun Bear.
